

**Rensselaer Polytechnic Institute
School of Science – Center for Initiatives in Pre-College Education**

Rensselaer Science Ambassador Program

Educational Outreach Request Form (Schedule developed in September for school year or January for Spring)

Today's Date: _____ School District: _____

School Contact: _____ Department: _____

Work or Cell phone: _____ E-mail: _____

School Address: _____

How did you learn about the Rensselaer Science Ambassador program?

Please describe the level of participation in the school-wide event including classes, grade-level, and courses (science, technology, math, etc.). Please include whether there will be a culminating activity such as a general panel discussion for the younger audience to explore science education in general, with specific scientific disciplines, college preparation, college life, etc. Additionally, how will students be encouraged to attend? Any additional information is greatly appreciated.

A representative from CIPCE will be in contact within one week of the inquiry. Thank you for your interest in our program.

For CIPCE Office Use Only:
 Date request received: _____
 Event total time commitment: _____
